SILVER STAR BIKE PARK

DH BIKING & HIKING TRAIL MAP 2013

STOP **READ THIS!!!**

Important Information about the BIKE PARK

- Use of the Bike Park involves the risk of injury. You control the degree of risk you will encounter in using the trails and features in the Bike Park.
- Do not attempt any of the trails or features unless you have sufficient ability and skill to do so safely. Always ride in accordance with your ability level.
- Helmets are mandatory in the Bike Park and protective padding is strongly recommended.
- Full suspension bikes and 26" minimum wheels are recommended. The Bike Park is not recommended for trail bikes/riders, without proper instruction.
- All riders must be at least 10 years or older to ride in the Bike Park without a parent.
- No up-hill riding or hiking on downhill bike trails.
- Beware of changing conditions on trails and features. It is your responsibility to inspect features before using them.
- Stay on access roads, stop at all road crossings.

You assume the risk of any injury that may occur when using the Bike Park. The mountain's liability for any injury or loss is modified by the terms and conditions on your ticket or bike park pass/release of liability.
